CORAM: HONOURABLE MR. JUSTICE RAJEEV RANJAN PRASAD

ORAL ORDER

2 17-02-2018 Heard learned counsel for petitioner and learned
counsel representing the State.

Petitioner is seeking anticipatory bail in Makhdumpur
P.S. Case No. 184/17 for the offences registered under Sections
147, 148, 109 and 353 of the Indian Penal Code.

Learned counsel for the petitioner submits that this
petitioner along with other 14 persons have been named in the
present case on the basis of a videography said to have been done
while the accused persons were creating hindrance in the work of
the administration and were stopping the traffic movements.
Learned counsel for the petitioner submits that 14 persons have
already been granted the privilege of anticipatory bail by a co-
ordinate bench of this Court.

On the other hand, learned counsel representing the

State submits that from the F.I.R. itself it will appear that the case of this petitioner has been treated on a different footing inasmuch as he is the person behind all these hindrances and he has got criminal antecedents. In Paragraph 3 of the application, the cases in which the petitioner is accused are also mentioned.

Considering the facts and circumstances, particularly the distinguishing feature of the case of this petitioner that he has got criminal history and there are allegations that he had been instrumental in creating hindrance, I am not inclined to grant anticipatory bail to the petitioner.

The application is dismissed.
