ORAL ORDER

11 13-03-2018

Nobody appears on behalf of the petitioners.

Heard learned counsel for the State and the learned
counsel appearing on behalf of respondent nos.11 and 12.

The petitioners have filed this revision petition
against the order dated 21.12.1994 passed by the Director
Consolidation in Consolidation Revision No.1461 of 1990 by
which the permission granted to the respondents under Section

5(1) read with Section 6(3) of the Consolidation Act was set aside as the lands stand in the name of the respondents during the cadastral and revisional survey. It appears that since the petitioners have already executed the sale deed and Section 5(1) of the Consolidation Act says that the permission shall be subject to the rights and liabilities attached to the land under the scheme of consolidation prepared with respect to that area. If the parties aggrieved by the execution of the sale deed, the party may approach the Civil Court. It appears that the petitioners have lost their interest in pursuing the case.

Accordingly, this writ petition is dismissed.
