CORAM: HONOURABLE MR JUSTICE MADHURESH PRASAD

ORAL JUDGMENT

Date: 14-05-2018

Heard learned counsel for the petitioners and the respondent-State.

2 The petitioners have approached this Court seeking a direction to the respondents to consider and include the names of the petitioners in panel and appoint them on basis of past experience/satisfactory work performed by them. Reference is based on Annexure 1 which is an order dated 20.06.1995 by the Superintendent of Sadar Hospital, Purnea. The same shows that from

14.12.1994 to 13.02.1995 that is for a period of three months, work was taken from the petitioners during strike period. On such work having been performed for three months way back in the year 1994-1995, petitioners have approached this Court by filing this writ petition in the year, 2015 claiming that they may be empanelled and considered for appointment.

3 Counsel for the State has appeared. He has informed the Court on the basis of the pleadings made in the counter affidavit that for the Grade IV post against which the petitioners have performed duties for three months in the year, 1994-1995, advertisement was published on 17.09.2004 and that the selection process finally culminated in the recommendation for appointment on 15.01.2011. Thus, he submits that the appointments to the post in question have already been made. The petitioners have, after 1995, neither participated in the said selection process nor taken any steps.

4 Considering the aforesaid submissions, petitioners have no enforceable claim for the relief that they prayed for.

5 The writ petition is devoid of merit and the same is dismissed.
