CORAM: HONOURABLE MR. JUSTICE SHIVAJI PANDEY
ORAL JUDGMENT

Date : 13-08-2018

Heard learned counsel for the petitioners, learned counsel for the State and learned counsel for the Bihar Public Service Commission.

In the present case, allegation has been made that mass manipulation has been made by the Bihar Public Service

Commission in the selection of persons, which has been emphatically denied by the learned counsel for the Bihar Public Service Commission and submitted that meticulous examination has been made with regard to the evaluation of the answer sheets and after proper scrutiny, the result of written examination has been published.

It has further been submitted by the learned counsel for the Bihar Public Service Commission that the result of written examination was challenged in C.W.J.C. No.5999 of 2018 unsuccessfully and the same was challenged in L.P.A. No.726 of 2018, that too has been dismissed.

Learned counsel for the petitioners submits that complete irregularity has been done in the matter of evaluation of the answer sheets. A statement in this regard has been made in paragraph no.10 of the writ petition, having stated in Sub-Para (v) that answer sheets of Anthropology were evaluated by the teachers of Sociology. However, the allegation has been denied by the Bihar Public Service Commission in its counter affidavit.

This Court is not entertaining the writ petition at this stage as question would arise only if the final result is published. As the petitioner has failed to bring on record the

fundamental facts to make out his case in his favour and accordingly, this writ petition is dismissed.
