CORAM: HONOURABLE MR. JUSTICE SHIVAJI PANDEY
ORAL JUDGMENT
Date : 03-12-2018

Heard learned counsel for the parties.

The present batch of writ applications are being disposed of by this common order with the consent of the parties. For convenience, this Court is taking the facts mentioned in C.W.J.C. No. 10076 of 2017. The order dated 28.08.2011 (Annexure-3) and the order dated 7.4.2017 (Annexure-4) are of different dates, whereby and whereunder, the respondent authority

has held that they are entitled to the scale of 3050-4590 but, wrongly have been granted the scale of 4000-6000 in the first ACP and, accordingly, the next scale in the second ACP.

The primary question in the present case is as to whether the petitioners of all the analogous cases were rightly granted the first ACP in the scale of 4000-6000 or are entitled to the scale of 3500-4590 and recovery of the excess amount paid to them which has been order to be recovered from their respective salary.

In the Bihar Police Service, the Constables are divided into two group, firstly, the literate constable and secondly, the general constable and the literate constable gets the scale of 3050-4590 and identical salary is also granted to the general constable but, the literate constables are those who are armed with qualification of Matriculation and the general constables are not required the qualification of Matriculation. Next, the persons of literate constable will get promotion by way of A.S.I. in the scale of 4000-6000 whereas for the general constable, the next promotional post is Hawaldar and will get the scale of 3200-4900 but, the third promotion is the Sub-Inspector either through promotion from ASI or Hawaldar, the pay-scale is 5500-9000 and gets identical scale of pay.

The only dispute in the present case is the question of pay-scale which was granted to the petitioner i.e. 4000-6000, as they were having the qualification of matriculation, were granted this scale by way of ACP and there is no any dispute of pay-scale at the S.I. level.

From the records, it appears that they were being paid the salary for last many years and, all on a sudden, the present impugned order has been passed without granting them any opportunity of hearing and observing the principle of natural justice. When a person is granted the benefit, rightly or wrongly, if the right action has been taken, there is no need of any correction in the pay-scale but, if an authority arrives to a finding that incorrectly the scale has been granted then, minimum is expected from the authority to issue show-cause asking explanation and if the explanation is not found fit, he may pass an order on its merit but, the procedural propriety requires that before passing the adverse order, it is required to, observe the minimum levels of natural justice as is a part of Article 14 of the Constitution of India.

In the present case, the State is also not denying that before passing the impugned order, the petitioners were not given any show-cause or an opportunity of hearing. In that view of the matter, instead of entering into the merit of the case, the respective

impugned orders are quashed and the matter is remanded back with a direction that there will not be any recovery till the fresh decision is taken by the competent authority. It is made clear that the authority concerned, before passing the final order, will serve a show-cause, asking explanation. If they make a prayer for personal hearing or through their respective representative, they would be granted opportunity, their case should be heard one by one. As this Court is not going into the merit of the case about the entitlement of the petitioners with regard to scale but, would observe that there should be a fair dispensation of the administrative action by the authority concerned.

It has been brought to the notice of this Court by one of the petitioner in C.W.J.C. No. 16327 of 2017 has already superannuated from service.

While considering the case of that person, the authority concerned will examine the mandate of the Hon'ble Apex Court in the case of State of Punjab & Ors. Vs. Rafiq Masih (White Washer) etc. reported in 2014 (4) PLJR 37 SC.

This Court hopes and expects that the authority concerned will conclude the entire process within a period of three months from the date of receipt of this order.

Accordingly, all the writ applications are allowed to the
aforesaid extent.
