ORAL ORDER

4 19-03-2018 After some arguments, learned counsel for the petitioners seeks permission to withdraw this writ application in order to approach the State Appellate Authority which is now functional .

Since writ petition was filed on 31.1.2016 at that point of time, the State Appellate Authority was not functional and as

such in the event the petitioners file such appeal within a period of one month from today, the State Appellate Authority is required to examine the appeal on its own merit and decide the appeal in accordance with law after condoning the delay, if any, in filing the appeal in view of the fact that more than two years the present writ application remain pending in this court.

With the aforesaid, the writ petition stands disposed of.
