CORAM: HONOURABLE MR. JUSTICE SHIVAJI PANDEY
ORAL ORDER

3 04-04-2018 Heard the learned counsel for the petitioner and the
learned counsel appearing for the State.

This Court has disposed off C.W.J.C. No. 15104 of
2013 vide order, dated 29.03.2016, whereby and whereunder
this Court had directed to examine the case of the petitioner and
pass reasoned order within four months.

In pursuance of the direction, the Chief Engineer has
passed the order, dated 14.11.2016, and rejected the claim of the
petitioner wherein the reasons have been made.

Learned counsel for the petitioner submits that the

affidavit, which has been filed by the State is completely false and fabricated, which dehorse to the facts on record and, further, submits that the order, dated 14.11.2016, does not disclose that the Chief Engineer has also examined the order passed in L.P.A. No. 1365 of 2014. The order passed by the Chief Engineer is completely arbitrary, illegal and unsustainable in law and not in terms of paragraph 7 of the order passed by this Court in C.W.J.C. No. 15104 of 2013.

Be that as it may, the order, dated 14.11.2016, has assigned three reasons, on that ground, the claim of the petitioner has been rejected and in the contempt proceeding this Court cannot look to the merit of the order.

If the petitioner feels aggrieved, he may challenge the same in accordance with law before the appropriate forum.

This application is **dismissed**.
