**CORAM: HONOURABLE MR. JUSTICE VIKASH JAIN**

**ORAL JUDGMENT**

**Date: 01-05-2018**

Heard learned counsel for the petitioner as well as  
learned counsel for the respondents.

2. The present writ petition has been filed for the  
following reliefs –

*(i) That the letter no. 160 dated 28.01.2016 contained  
in annexure-11 may be quashed.*

*(ii) That the respondent may be directed to send the  
meter for examination in the presence of petitioner  
and inform the report to petitioner on time so that the  
petitioner may take appropriate legal step.*

*(iii) That any other relief or reliefs may be allowed which will be just, proper and equitable on the opinion of this Hon’ble Court.”*

3. At the very outset, learned counsel for the petitioner fairly accepts that statutory remedy by approaching the CGRF is available under Section 42(5) of the Electricity Act for redressal of her grievances.

4. This Court therefore, is not inclined to enter into the merits of the matter. The writ petition stands disposed of with liberty to the petitioner to approach the Consumer Grievance Redressal Forum with an appropriate application for redressal of her grievances. If any such application is filed, the same shall be considered and disposed of in accordance with law.
