CORAM: HONOURABLE MR. JUSTICE MOHIT KUMAR SHAH
ORAL ORDER

2 06-09-2018 The present writ petition has been filed for issuance of direction to the respondents to grant new commercial electric connection in the cosmetic shop of the petitioner situated at Sadar Bazar, Phulwarisharif, Patna.

The learned counsel for the petitioner submits that the petitioner has already paid the requisite fees for new connection, however, the respondents are not granting connection on one pretext or the other.

The learned counsel for the respondent Electricity

Company has submitted that despite communication made to the petitioner, the petitioner has not been able to furnish the requisite documents which are required for the purpose of granting electricity connection. One of such document is the consent/permission of the landlord, which the petitioner has failed to submit. It is also submitted that there is a dispute between the landlord and tenant, hence the money/interest of the electricity company would not be secured in case the electricity connection is granted to the petitioner and the petitioner utilizes electricity in the said premises.

Having regard to the facts and circumstances of the case, there is no merit in the present writ petition, thus the same is dismissed.
