ORAL ORDER

3 27-04-2018 Heard learned counsel for the petitioner and learned APP
for the State.

This is a case registered under Sections 341,323,308,504/34
of the Indian Penal Code in connection with Fatehpur P.S. Case
No. 449 of 2017 pending before the Court of learned Additional

It is submitted that due o trivial issue the petitioner has
falsely been implicated in this case as there was no intention of
causing any life threatening injury on the victim. Petitioner is in
jail custody since 12.02.2018.

This Court finds that the injury report suggests that the
injury inflicted upon 50 years old lady (victim) have found to be

dangerous to life. This Court, for the present, is not inclined to allow the prayer for bail of the petitioner.

The prayer is therefore, rejected.
