CORAM: HONOURABLE THE CHIEF JUSTICE

ORAL JUDGMENT

Date: 19-01-2018

Keeping in view the compliance reported by the respondents and the order passed and the payments made, as is evident from the document filed along with the show cause, it is an admitted position that most of the directions issued by the learned Writ Court have been complied with and now the grievance of the petitioner is with regard to merger of 50% of dearness allowance and non-payment of certain benefit of pension on account of an order passed by the Government of India on 6.5.2015.

These issues have not been directly dealt with in the writ petition and, therefore, in case the petitioner feels that after the orders passed and settlement made he is entitled to further benefits, he shall have liberty to approach the competent authority and the competent authority is directed to consider the same and pass an appropriate order on the same in accordance with law.

With the aforesaid, this application is disposed of.
