CORAM: HONOURABLE MR. JUSTICE ARUN KUMAR
ORAL ORDER

3 11-05-2018 Heard learned counsel for the petitioner and the
learned APP for the State.

Petitioner, already in custody, seeks bail in connection
with Islampur PS Case No.69 of 2000, giving rise to Sessions
Trial No.42 of 2018, registered under Sections 302/34 of the
Indian Penal Code as well as under Section 27 of the Arms Act.

Allegation in brief is that accused persons turned up
and started abusing the informant side, when the father of the
informant made protest then one accused asked the petitioner to
bring rifle and she handed over the rifle to her husband and he
shot at the father of the informant and killed him. It is also
alleged that Shyamlal Paswan shot at the mother of the
informant who also died.

Learned counsel for the petitioner submits that there is

land dispute between both sides and there is no overt act against the petitioner to open fire rather the allegation is specific against her husband Rajballabh Paswan that he opened fire and killed the father of the informant.

Having considered the fact that specific overt act of killing the father of the informant is against the husband of the petitioner, so petitioner Lalpari Devi is directed to be released on bail on furnishing bail bond of Rs.10,000/- (ten thousand) with two sureties of the like amount each to the satisfaction of learned 1st Additional District & Sessions Judge, Hilsa in connection with Islampur PS Case No.69 of 2000, giving rise to Sessions Trial No.42 of 2018.
