CORAM: HONOURABLE MR. JUSTICE ASHUTOSH KUMAR

ORAL JUDGMENT

Date: 20-02-2018

Both the appeals have been heard together and a
common judgment is being passed.

2. The appellants aforesaid have been convicted
under Section 395 of the Indian Penal Code vide judgment dated
22.06.2017 passed by the learned Sessions Judge, Vaishali at Hajipur
in connection with Sessions Trial No. 135 of 2015, arising out of
Jandaha P.S. Case No. 43 of 2013 and by order dated 24.06.2017,

they have been sentenced to undergo rigorous imprisonment for seven years.

3. The appellants are alleged to have committed dacoity along with five others in a Gramin Bank.

4. The prosecution case is based on the F.I.R lodged by Bindeshwar Singh, the Branch Manager of the North Bihar Gramin Bank, Kajribhath, in which the dacoity is said to have been committed, on 01.03.2013 and who has been examined as P.W. 8 at the trial.

5. Bindeshwar Singh (P.W. 8) has alleged that on 01.03.2013, while he was present in the Bank and Surendra Narain, the cashier of the bank, who has been examined as P.W. 1 was sitting behind the cash counter and was dealing with the customers, four persons entered the bank premises. Out of them, two miscreants came inside the cash counter and rest two of them stood outside the cash counter. One of the miscreants, who had entered the counter, pointed a weapon at him and thereafter, on point of weapon aimed at P.W. 1, cash in denominations of Rs. 1000/-, Rs. 500/- and Rs. 100/- was taken away. One of the customers viz. Lalan Kumar, who has been examined as P.W. 2 was also divested of Rs. 20,000/- which was in his possession. One of the accused persons was carrying a black coloured bag whereas the other was wearing a helmet. The miscreants fled from the Bank premises on three motorcycles towards western

direction. While fleeing away, two bombs were also exploded and firing was resorted to. Some of the villagers started chasing the miscreants. As soon as the miscreants left the bank premises, information was given on mobile telephone to the local police station and people of Laxmanpur village were also informed and were asked to catch hold the miscreants. Shortly thereafter, the informant/P.W. 8 learnt that two of the accused persons have been caught by the villagers of Laxhmanpur and they are being assaulted. The informant claims to have gone along with the police party to the place where the aforesaid two persons were nabbed by the villagers. They disclosed their names as Ajit Kumar Rai and Sukil Sahani (appellants in Cr. Appeal Nos. 574/17 and 859/17 respectively and since acquitted). The aforesaid appellants further disclosed that in the act of loot, the appellants, one Sanjay Kumar Singh and one other person had also participated. From the possession of the apprehended accused, one country made pistol and some cartridges were recovered. A black coloured bag was also recovered which was found to be stashed with Rs. 17,200/-. When the informant went back to the bank premises, he was informed that a total amount of Rs. 49,250/- had been looted away. The miscreants were stated to be between the age group of 20-30 years and were fair complexioned. On the basis of the aforesaid fardbeyan statement of P.W. 8, Jandaha P.S. Case No. 43 of 2013 dated 01.03.2013 was instituted for the offences under Section 395

and 412 of the Indian Penal Code.

6. The police, after investigation, submitted charge-sheet whereupon cognizance was taken and the case was committed to the Court of Sessions for trial. Learned Trial Judge viz. Sessions Judge, Vaishali at Hajipur, after examining eight witnesses on behalf of the prosecution, convicted the appellants as aforesaid.

7. Abhilabh Singh and Bir Kumar Singh have been examined at the trial as P.Ws. 4 and 5 respectively as they had been witness to the arrest of the accused persons viz. Ajit Kumar Rai and Sukil Kumar Sahni by the villagers and seizure of firearm weapons and looted cash. However, at the trial, the aforesaid witnesses have not supported the prosecution version and have been declared hostile. All of them have stated that nobody was arrested in their presence and similarly, nothing was seized in their presence.

8. Learned counsel for the appellants, therefore has submitted that the only reason for the appellants to have been put on trial was because of confession by the apprehended accused persons who had been nabbed by the villagers on hot chase, in which they had named the appellants as their associates.

9. The informant of this case, as stated earlier, has been examined as P.W. 8. Though he has supported the prosecution version of occurrence of dacoity in his bank but has not identified the appellants in the dock. He has proved the fardbeyan and

the F.I.R and has clearly stated in his examination-in-chief that he did not recognize anyone of the accused persons including the appellants.

10. However, the cashier of the bank viz. Surendra Narayan, who has been examined as P.W. 1 has identified the appellants. In his examination-in-chief, he has deposed that the two miscreants who had entered cash counter were identified by him. But, in his cross examination, he has stated that he did not know the names of either of the appellants. With respect to accused Sukil Kumar Sahni, the aforesaid witness has stated that he had pointed the weapon at him before taking away cash from the cash counter.

11. Lalan Kumar, a customer of the Bank who is said to have been robbed by the miscreants in the bank premises, has been examined as P.W. 2. He has clearly stated that he could not identify anyone of the miscreants as he had become very nervous. Nothing was seized in his presence and whatever paper was given to him to sign, he signed on the aforesaid paper.

12. Daya Shankar Prasad, who had conducted the investigation, has been examined as P.W. 7. He has supported the prosecution version but in the cross examination, he has stated that the seizure list (Ext-4) was made by one Mithilesh Kumar Jha on his direction, which fact was recorded by him in the case diary. He has also admitted that the notes which are said to have been recovered from the possession of the apprehended accused persons did not have

any sticker of any Bank and the notes were not sent by him to be identified by anyone of the Bank employees. Whatever was seized in his presence was not sealed by him and he did not even put any specific identification mark over the seized items including cash of Rs. 17,200/-.

13. Bijendra Kumar Singh (P.W. 6) is the Police Officer, who had submitted the charge-sheet under Section 173 of the Cr. P.C.

14. Learned counsels for the appellants have, therefore argued that but for a vague statement in the F.I.R that the miscreants were arrested by the villagers of Laxmanpur and they named the appellants as their associates, there is no other material on which the appellants could be convicted and sentenced for the offence under Sections 395 of the Indian Penal Code.

15. On perusal of the records and on going through the evidence, it appears that the factum of the arrest of the two of the accused persons by the villagers have also not been established/proved. No person of the village Laxmanpur has been brought forward by the prosecution for proving the arrest of the accused persons by the villagers while fleeing away after looting the bank. The seizure list witnesses having turned hostile and not supporting the prosecution version further makes the case doubtful against the appellants. That apart, the evidence of the Investigating

Officer (P.W. 7) who conducted the investigation that he had asked somebody to make the seizure list and his not having entered the same in the case diary further creates doubt with respect to the prosecution version. Admittedly, the bank notes which were stated to have been recovered were not sent for any examination and they were not even tallied by anyone of the bank employees.

16. In the absence of any identification mark having been put on the notes or the black bag containing the said notes which was allegedly recovered from the possession of the accused persons viz. Ajit Kumar Rai and Sukil Kumar Sahni, the factum of recovery stands completely uncorroborated. Anybody could be in possession of bank notes worth Rs. 17,200/-. Not sealing the same and not putting any identification mark over the said notes casts a death knell on the prosecution version when the entire case is based upon the arrest of the accused persons viz. Ajit Kumar Rai and Sukil Sahani by the villagers of Laxmanpur.

17. Thus, there is no evidence against the appellants except for the confession of two of the nabbed accused persons, who also have been acquitted.

18. Finding the prosecution case to be totally deficient in materials establishing the guilt of the appellants, this Court has no option but to set aside the judgment and order of conviction passed by the Trial Court.

19. Thus, the judgment of conviction dated 22.06.2017 and order of sentence dated 24.06.2017 passed by the learned Sessions Judge, Vaishali at Hajipur in connection with Sessions Trial No. 135 of 2015, arising out of Jandaha P.S. Case No. 43 of 2013 are set aside and the appeals are allowed.

20. The appellants are acquitted of all the charges.

21. The appellants are in custody. They are directed to be released from jail forthwith, if not wanted in any other case.

22. Let a copy of this judgment be communicated to the Superintendent of jail for information, compliance and record.
