ORAL ORDER

3 25-04-2018

Heard learned counsel for the petitioner and the State.

The petitioner apprehends his arrest in **Complaint**
Case No. 136 of 2003 UT No. 27 of 2017 instituted for the
offence under Sections 304(B) and 201 of the Indian Penal Code.

The petitioner is husband of the deceased. There is
allegation that niece of the informant was tortured by the
petitioner for demand of dowry and the informant got information
that his niece has been done to death in her sasural by
administering poison. The informant went to the sasural of his
niece and found her niece dead and petitioner and other accused
persons were disposing off the dead body.

In the complaint petition it is alleged that no information was given to him about the death of his niece. The informant inquired about death of his niece but the accused persons did not disclose the correct fact and disposed of the body with intention to screen the evidence.

In such circumstances, this Court is not inclined to grant anticipatory bail to the petitioner.

Prayer for anticipatory bail of the petitioner stands rejected.

Petitioner may surrender before the court below and make prayer for regular bail which shall be considered by the court below in accordance with law without being prejudiced by this order.
