ORAL JUDGMENT

Date: 10-10-2018

Heard learned counsel for the petitioner and learned
counsel for the respondents.

2. The present writ petition has been filed for a
direction to the respondents to remove the installed transformer which
has been installed at the North-East Corner of the residential house of
the petitioner.

3. Learned counsel for the petitioner submits that the
petitioner constructed the first floor of his house in the year 2014 but
later on the respondent authorities have installed a transformer in the
month of July-August, 2014 at the North-East Corner of his residential

house. Such installation of the transformer is endangering the life and property of the petitioner as well as other residence of the locality leading to a representation being filed by several members of the locality on 16.09.2014 (Annexure- 1) as well as a specific petition by the petitioner himself dispatched by Speed Post duly received in the office of the respondent no. 3.

4. Learned counsel for the respondents appears and has been heard. No counter affidavit however has been filed on their behalf.

5. Having regard to the nature of the grievance of the petitioner, this Court is of the view that the ends of justice will be met if the Superintending Engineer, North Bihar Power Distribution Company Ltd., Motihari, East Champaran (respondent no. 3) is directed to dispose of the petitioner’s representation said to have been received in his office on 17.09.2014 (Annexure-2), if pending, on its own merits in accordance with law and after grant of opportunity of hearing to the petitioner, expeditiously, and in any event within a period of eight weeks from the date of receipt/production of a copy of this judgment.

6. The writ petition stands disposed of.
