This revision application has been filed against the order

dated 6.2.2018 passed in Complaint Case No. 3484(C) by Smt.

Madhwi Singh, Judicial Magistrate, 1st Class, Patna by which learned court below has taken cognizance of the offence only against opposite party Nos. 11, 12 and 13 and no cognizance has been taken against other accused persons.

Learned counsel for the petitioner has submitted that there is allegation against other accused persons also and their involvement is also there but in spite of that cognizance has not been taken against them.

Heard learned APP, learned counsel for State Bank of India and learned counsel for HDFC Bank. They have opposed the revision application.

Having heard the parties and without going into the merit of the case, this application is disposed of with a direction that during trial if evidences come against the other accused persons, against whom cognizance has not been taken, petitioner is at liberty to move before the trial court for summoning the accused persons in this case.

With the above observation, this revision application is dismissed.
