By the order dated 04.07.2016 the petitioner was directed to remove 9 defects pointed out by the office within one week but since the order was peremptory and defects were not removed that the writ petition was dismissed for default.

Learned counsel for the petitioner in reference to the restoration application submits that on account of several holidays occurring in the week which has resulted in the dismissal of the writ petition.

Having heard learned counsel for the parties and considering the reasons assigned the restoration application is allowed and the peremptory order passed on 04.07.2016 is

extended for further four weeks from today and should the petitioner remove the defects in the writ petition bearing CWJC No.10625 of 2016 on or before 21st of August, 2018 that it shall stand restored, failing which the status of the writ petition would remain as such.

The restoration application is allowed subject to the stipulation as stated above.
