**CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI**  
**ORAL ORDER**

4      26-02-2018              Heard learned counsel for the parties.

Since the order of transfer passed, was considered in yet another writ application and the same stood quashed with an observation that after quashing the transfer order of the petitioners, rest of the transfer list would become non-implementable.

Keeping in mind the above fact, as well as the time which has elapsed, this writ application is disposed off with an observation that if new cause of action arises, petitioners have

remedy in law.
