CORAM: HONOURABLE MR. JUSTICE ARUN KUMAR
ORAL ORDER

2 12-04-2018 Heard learned counsel for the petitioner and the
learned APP for the State.

Petitioner, already in custody, seeks bail in connection
with Ahiyapur P.S. Case No.1055 of 2017 registered under
Sections 414/413 of the Indian Penal Code as well as under
Sections 25(1-b)a/26 of the Arms Act.

Allegation in brief is that when police went in search
of the petitioner for arrest in another case, he made an attempt to
escape but apprehended and found in possession of one country
made pistol with two live cartridges.

Submission is of false implication by the police at the
behest of the petitioner's enemy; whereas the learned counsel
for the State submits that there is recovery of arms from
possession of the petitioner and he has number of criminal

antecedents.

Having considered the aforesaid facts and circumstances, the prayer of bail of the petitioner is rejected in connection with Ahiyapur P.S. Case No.1055 of 2017 pending in the court of learned CJM, Muzaffarpur.

However, the petitioner may renew his prayer of bail after six months of the framing of the charge, if the trial does not conclude.
