ORAL ORDER

3 21-06-2018 Heard counsel for the parties.

This revision petition is directed against the order dated 07.04.2016 passed by the learned Sessions Judge, Lakhisarai in Sessions Trial No. 125 of 2015 whereby the opposite parties no. 2 to 8 have been discharged of the offence under Section 307 of the Indian Penal Code.

The impugned order reveals that there was a minor scuffle over a bona fide land dispute leading to injuries on some of the persons which were found to be simple. The court below took note of the fact that there

could not have been any intention of causing death of any one of the victims.

Considering the aforesaid facts the aforesaid order was passed.

This Court does not feel inclined to interfere with the aforesaid order discharging the opposite parties no. 2 to 8 for the offence under Section 307 of the Indian Penal Code.

As such the petition is dismissed.
