5. Now, appeals are confined only with respect to Appellant, Sardendu Singh, (Cr. Appeal (SJ) No.65 of 2009) and Appellant No.1 Surendra Sharma @ Surendra Pd. Singh (Cr. Appeal (SJ) No.183 of 2009).

6. The prosecution case as per Informant, Pankaj

Kumar Shahi, is that sister of the Informant namely, Sandhya Kumari, was married with Dwitendu Prasad Sinha, son of Shri Surendra Sharma, about 12 years back. The sister of the informant after marriage was tortured by her husband and other family members in *Sasural* for demand of dowry. It is alleged that adequate articles were given at the time of marriage, but accused persons were under illusion that informant is having more money and they have not given appropriate dowry at the time of marriage and on this account they used to assault the sister of the Informant. They burnt the sister of the Informant and sign of burn injury was present on right elbow. All these matters were informed by his sister through letter. It is further alleged that the Informant and his family members tried to settle the matter, but the accused persons did not agree. The accused persons had stopped to provide food, clothes and essential commodities to his sister. The Informant and his family members used to send money for her expenses. His sister had a son, namely, Aman Kumar, aged about 10 years, who was also tortured by the accused with intention to give pressure upon his sister. The accused persons threatened to kill his sister and they also do not provide any food to her. The Informant, ultimately, kept the son of sister at his house. The sister of the Informant had lodged a case vide Case No.331 of 1996 against her in-laws about 4-5 months earlier. The

Informant and other family members tried to settle the matter, but due to lodging of the case, his brother-in-law in conspiracy with his parents, brother and sister always used to assault her and gave threat to kill her and solemnize remarriage. The Informant received telephonic information on 05.02.1997 that his sister was hanged in a ceiling fan by the accused persons after killing her. The Informant informed Kadamkuan Police Station and he along with his mother, wife and *Mausera* brother went to *Sasural* of his sister at *Jahazi Kothi*, and saw the dead body of the deceased hanging in ceiling fan. Sari was tied in her neck and chest and also in the hook of the fan. Her left leg was lying on the *Palang* folded from knee and sole of her right leg was touching on earth. Her both eyes and mouth were found closed. Bed-sheet, Chair and other articles were found in proper condition. The Informant has suspected that all the accused persons have committed murder of his sister in conspiracy for non fulfillment of demand of dowry with intention to solemnize remarriage of *Dwitendu*.

7. The police after investigation submitted charge-sheet for the offence under Section(s) 306, 498-A Indian Penal Code. Cognizance was also taken by the Magistrate for the offence under Section(s) 306, 498-A Indian Penal Code. Charge was framed against the accused persons for the offence under Section(s) 302/34,
