Re: I.A.No. 850/2017

The appeal is delayed by more than 4 years and 95 days.

We have perused the reasons assigned in the limitation petition and we are certainly not satisfied with the explanation given therein for it was entirely the responsibility of the appellants to ensure filing of the appeal within time and the explanation whatsoever given in the limitation petition in no manner reduces

their laid back attitude in taking effective steps for ensuring the filing of the appeal in time.

The limitation petition is dismissed. Consequently, the Letters Patent Appeal is dismissed.
