CORAM: HONOURABLE MR. JUSTICE MADHURESH PRASAD
ORAL ORDER

2 08-10-2018 Heard learned Counsel for the petitioner and the
learned Counsel for the respondent State.

Counsel for the petitioner submits that on his earlier writ petition bearing CWJC No. 4654 of 2007 this Court had specifically directed the respondent Chief Engineer, Minor Irrigation Department, Bhagalpur Circle, as well as the Executive Engineer, Minor Irrigation Department, Jhajha Division, District Jamui to forward the case of the petitioners to the Collector, Jamui for being empanelled and appointment as Class IV employees in the Collectorate, Jamui, its attached offices and offices of other line department situate in the district of Jamui. In spite of communication dated 29.12.2011 sent from the office of the Executive Engineer, Minor Irrigation, Jhajha

Division, no step has been taken for empanelment/appointment of the petitioner.

The direction is already in favour of the petitioner in the order dated 15.11.2011 passed in the earlier writ proceeding. This Court would not issue a successive direction for same relief in successive proceeding when direction is already existing in the earlier proceeding.

Counsel for the petitioner, being faced with the above situation, submits that he would approach this Court in contempt jurisdiction for enforcement of the order passed in CWJC No. 4654 of 2007.

With the liberty as aforesaid the writ petition is disposed of.
