ORAL ORDER

2 17-02-2018 Heard learned counsel for the petitioner and learned
counsel representing the State.

The petitioner apprehends his arrest in connection
with Sasaram (Muffasil) P.S. Case No.1296 of 2017 registered
under Sections 307, 34 of the Indian Penal Code and 27 of the
Arms Act.

Learned counsel for the petitioner submits that there
is no allegation of firing against this petitioner even though
allegation is that he had along with co-accused taken away this
informant and then at one place near a canal they stopped the
motorcycle and the unknown person who was accompanying the
petitioner fired on the chest and head of the informant but the shot

fired on the head missed out and thereafter, on hulla, the villagers assembled.

Learned A.P.P. for the State opposed the application for anticipatory bail and submitted that it seems to be a case of blatant conspiracy where under this petitioner had taken away the informant on his motorcycle along with an unknown and caused the assault.

Considering the facts and circumstances, particularly that the petitioner's active participation is apparent from the statement made in the F.I.R. itself, I am not inclined to grant anticipatory bail to the petitioner.

Accordingly, this application is dismissed. If an application for regular bail is filed, the court below shall consider the same in accordance with law without being prejudiced by the order of this Court.
