ORAL ORDER

2 09-04-2018 Heard both sides.

The petitioner apprehends his arrest in Patepur P.S.
Case No.80 of 2017 registered under Sections 306 and 34 of the
Indian Penal Code.

The informant, brother of the deceased alleged that
Sohan Mahto, husband of his sister and others used to torture his
sister on one pretext or other. For last one year, Sohan Mahto had
illicit relation with another woman and that is why he assaulted his
sister. Consequently his sister fled away with her child and later
on, their dead bodies were recovered from a pond.

The learned counsel for the petitioner submits that
deceased had mental problem. There is omnibus and general
allegation but it appears from perusal of F.I.R. itself that petitioner

who is the husband of the deceased used to torture his wife on one pretext or others only because he had illicit relation with another woman and that is why wife of the petitioner committed suicide.

Considering the facts aforesaid, I am not inclined to enlarge the petitioner on anticipatory bail. Accordingly, the same is rejected.
