Heard the parties.

This application is for grant of regular bail in
connection with Barauli P.S.Case No.127 of 2018for the offences
under Sections 341, 323, 420, 406, 379, 504, 506/34 of the Indian
Penal Code.

Allegation against the petitioner as per FIR is that the
petitioner is Driver of the informant and he has taken the vehicle
to Siwan along with *Bhabhi* of the informant for her treatment
and thereafter he left her there and came back with the vehicle
and when the informant asked for the vehicle, as the condition of
his *bhabh* deteriorated, on one plea or the other he refused to come
and thereafter she was taken to Lucknow by another vehicle and
after returning when the informant asked the petitioner to return

the vehicle, he informed that he has sold the vehicle. He has also committed *mar-pit* with the informant.

Submission of the learned counsel for the petitioner is that the informant was accused in a case and he had gone to Jail custody and when he returned he was implicated in this case. He is in custody since 25.5.2018.

Heard learned A.P.P. and the learned counsel for the informant..

Having heard both sides and in view of the facts and circumstances, as stated above, I am not inclined to grant bail to the petitioner. Hence, the prayer for bail of the petitioner is rejected.

With the aforesaid observation, this application is dismissed.
