ORAL ORDER

03 08-10-2018 Heard learned counsel for the petitioner, learned
counsel for the informant and learned APP for the State.

The petitioner seeks bail in connection with S.Tr.
No. 544 of 2017 arising out of Karja P.S. Case No. 32 of 2017
registered under Sections 302/34 of the Indian Penal Code.

The petitioner, happens to be the husband of the
deceased, is said to have committed the murder of the deceased
over dowry demand.

It is submitted by learned counsel for the petitioner
that no such occurrence as alleged took place. He has no concern
with the aforesaid occurrence. As a matter of fact, there was a
love marriage between the petitioner and the deceased and due to
the aforesaid love marriage the family members of the deceased

were annoyed and they have committed murder of the deceased and falsely implicated the petitioner in the case.

On the other hand, learned APP for the State, vehemently opposing the bail petition, has submitted that the petitioner had committed murder of the deceased by assaulting her by means of dab and the aforesaid dab was seized by the police from the possession of the petitioner. The doctor, who has conducted the postmortem of the cadaver of the deceased, has found five injuries on her person including three sharp cutting injuries.

In the facts and circumstances of the case, I am not inclined to enlarge the petitioner on bail. Accordingly, the prayer for bail of the petitioner is hereby rejected.
