CORAM: HONOURABLE MR. JUSTICE RAJEEV RANJAN PRASAD

ORAL ORDER

3 13-02-2018 Heard learned counsel for the petitioners and learned
Additional Public Prosecutor for the State.

The petitioners apprehend their arrest in connection
with Raghunathpur P.S. Case No.107 of 2014 registered under
Sections 302 and 120B/34 of the Indian Penal Code.

Learned counsel for the petitioners submits that
there is absolutely no material against these petitioners in the
alleged murder of the brother of the informant. Learned counsel
further submits that petitioner nos.1 and 3 have got three criminal
antecedents, but they have been granted bail in those cases.

Learned counsel representing the State opposed the

prayer for anticipatory bail and submits that the case was instituted as back as on 20.06.2014 and these petitioners are named in the FIR and, therefore, considering that they are named and they have got criminal antecedent they do not deserve privilege of anticipatory bail.

This Court agrees with the submissions of the learned APP for the State.

In the facts and circumstances, I am not inclined to grant anticipatory bail to the petitioners. The application is dismissed.

If the petitioners surrender in the court below and pray for regular bail within four weeks, then the same shall be considered on its own merit without being prejudiced by the present order.
