CORAM: HONOURABLE MR. JUSTICE RAJEEV RANJAN PRASAD

ORAL ORDER

2 17-02-2018 Heard learned counsel for petitioners and learned
counsel representing the State.

Petitioners are seeking anticipatory bail in Pipra P.S.
Case No. 199/2017 for the offences registered under Sections 147,
149, 188, 323, 353, 283, 504 of the Indian Penal Code.

It appears from the impugned order that these
petitioners have got criminal antecedents and, therefore, their
cases were distinguished from the case of the petitioners in Cr.
Misc. no. 61884/2017 while refusing to grant anticipatory bail to
the these petitioners.

Learned counsel for the petitioners though initially
pointed out from Paragraph 3 that these petitioners have no

criminal antecedents but from the facts noticed in the order passed by learned Additional Sessions Judge II in the impugned order it is clear that these petitioners have got criminal antecedents and, therefore, their case has rightly been distinguished.

Since it is not the case of the petitioners that the learned Additional Sessions Judge II has committed any error in this regard, I am not inclined to extend the privilege of anticipatory bail to the present petitioners.

The application is dismissed.

If the petitioners surrender in the court below and pray for regular bail within a period of four weeks from today, the court below shall consider the same on its own merit without being prejudiced by the order of this Court.
