CORAM: HONOURABLE MR. JUSTICE RAJEEV RANJAN PRASAD
ORAL ORDER

2. 13-09-2018 The petitioner is looking for initiation of contempt proceeding against the opposite parties alleging that despite there being a direction in the order dated 08.08.2016 passed in F.A. No. 34/2011 that the appellants shall take proper steps so that the appeal be ready for hearing and the same may be disposed of as early as possible preferably within one year, the appellants are not taking steps and the whole purpose behind that is to delay in disposal of the First Appeal. This court is unable to understand as to how a contempt proceeding would lie for the reasons shown in

the application. If at all the petitioner is of the view that the delay on the part of the appellants is causing delay in disposal of the First Appeal, he was required to bring it to the notice of the court dealing with the matter and not to file a contempt application.

This contempt application has no merit. It is dismissed, accordingly.
