ORAL ORDER

3 26-04-2018 Heard the learned counsel for the petitioner and the
learned APP for the State.

Petitioner seeks bail in a case registered under
Sections 302, 201/34 of Indian Penal Code.

It is submitted by the learned counsel for the
petitioner that petitioner, who is the husband of the deceased, has
not been made accused in the first information report and he has
been roped in his case only on the basis of suspicion.

This Court would find that the information had been
lodged by the son of the petitioner and victim. In the first
information report, it is specifically stated that it is the petitioner
who has informed him regarding missing of his mother where

after she has been found dead. The inquest report also reveals that the death is homicidal in nature. The petitioner, being the husband owns the prime responsibility for safety of his wife (victim).

In view of the aforesaid consideration, keeping in view the allegations, this Court is not, for the present, inclined to allow the prayer for bail. The same is rejected.

It is submitted by the learned counsel for the petitioner that direction may be given to expedite the trial.

Let the trial Court proceed with the trial expeditiously.
