CORAM: HONOURABLE MR. JUSTICE CHAKRADHARI SHARAN SINGH

ORAL ORDER

2 18-12-2018 The short relief, which the petitioner is seeking in the present writ application, is to direct the respondent-State of Bihar to grant the petitioner no objection certificate for starting Homeopathy Medical College and Hospital at Buxar.

Mr. Singh, learned counsel appearing on behalf of the

petitioner, contends that an inspection was also conducted for the purpose of grant of no objection certificate, but the report so prepared is not signed by one person, who has also inspected the site.

Considering the nature of relief, which the petitioner is seeking, I dispose of this writ application with a direction that if the petitioner approaches the Director, Health Department, Government of Bihar, for grant of no objection certificate, he shall proceed expeditiously in accordance with law after taking into account the materials available on record including the inspection report, if any. If there is an inspection report, which has been prepared by a Committee not duly constituted, the Director may constitute an inspection team afresh for the purpose of inspection so as to take a decision on the question of grant of no objection certificate.

This application stands disposed of with the aforesaid observations.
