Hon'ble Shri Justice Goutam Bhaduri**Order On Board****23/01/2018**

1. The instant petition is against the order dated 27.11.2017, whereby an application filed under Order 7 Rule 14 (3) read with Section 151 of the CPC has been dismissed.
2. Perusal of the order would show that the Court has recorded the reason that the plaintiff was unable to explain how the document was related to the suit which is pending, since there was no relevancy and necessity was shown in the documents sought to be filed with respect to the land in question.

During the course of arguments having asked as to what is the relevance of the document and as to which property the document is related, petitioners are unable to disclose the same. The petition is as vague as vague it could be.

3. In view of the above, I do not find any reason to exercise the powers vested under Article 227 of the Constitution of India. Accordingly, the petition is dismissed. The petitioner however shall be at liberty to file better constituted petition.
