Order On Board

23/08/2018

- (1) This writ petition has been filed against the order dated 31.08.2010 passed by Registrar, Co-operative Societies affirming the order passed by Joint Registrar and the Deputy Registrar of the Co-operative Societies reinstating the respondent No. 1/employee without backwages.
- (2) Learned counsel appearing for the petitioner would submit that impugned is bad and unsustainable in law, which is liable to be set aside.
- (3) Per contra, counsel for respondent No. 1 would support the impugned order.

(4) I have heard learned counsel appearing for the parties and perused the order impugned with utmost circumspection.

(5) Three courts have concurrently held that termination of respondent No.1 is in violation of principles of natural justice as per the relevant rules and regulations, which is a finding of fact based on material available on record, which is neither perverse nor illegal. I do not find any perversity or illegality in the order impugned warranting interference under Article 227 of the Constitution of India.

(6) The writ petition, being devoid of merit, is liable to be and is hereby dismissed.
