Order On Board

(1) Learned counsel appearing for the petitioner would submit that the petitioner's land has been acquired by the respondent authorities, but in lieu of that, compensation has not been paid to him and it has been held by the respondent authorities that he is not entitled for compensation, against which these writ petitions have been filed by the petitioner for appropriate direction to the respondent authorities for payment of compensation.

(2) Learned counsel appearing for the respective respondents would submit that the petitioner preferred civil suit being Civil Suit No.54A/2011 before the trial Court, the said civil suit has already been dismissed by the trial Court on 16.03.2015 and it has been held that the petitioner is not title-holder or possession-holder over the suit land,

therefore, the instant writ petitions filed by the petitioner deserve to be dismissed.

(3) I have heard learned counsel for the parties and perused the record with utmost circumspection.

(4) It is not in dispute that the petitioner's father namely late Rambahadur Singh preferred civil suit being Civil Suit No.54A/2011 before the trial Court for declaration of title and permanent injunction, but during the pendency of suit, the petitioner's father expired and petitioner was impleaded as plaintiff being the legal representative of original plaintiff late Rambahadur Singh. The said civil suit has been dismissed by the trial Court on merits on 16.03.2015 and it has been held by the trial Court that the petitioner has failed to establish title over the suit land, but the said judgment and decree has not been challenged further by the petitioner successfully before the higher court and that has become final.

(5) After hearing learned counsel for the parties and taking into consideration the fact that the petitioner has failed to establish his title over the suit land and as such the petitioner is not entitled for any relief. Accordingly, the writ petition is dismissed. No order as to costs.
