Return of the State has been filed.

It appears that on the ground of some enquiry, which is said to be pending since 2014, bills for medical reimbursement have remained unpaid to the petitioner.

At this stage, I am inclined to dispose off this petition with a direction to the respondents that the enquiry regarding genuineness and verification of medical bills should be completed within an outer limit of three months from today i.e. on or before 27/05/2018.

If by that time, no adverse report is received, the medical bills of the petitioner for reimbursement shall be processed and cleared within a further period of 30 days.

The petition is accordingly finally disposed off.
