Order On Board

09/01/2018

(1) Learned counsel appearing for the petitioner would submit that the petitioner was working as Superintending Engineer in Chhattisgarh State Electricity Board (for short 'CSEB'), he retired on 30.07.2006 and after his retirement he was getting pension from CSEB, but without taking into consideration the fact that he retired from CSEB and getting pension from CSEB, all of a sudden, his pension records have been transferred to Madhya Pradesh State Electricity

Board (for short 'MPSEB') against his will by respondent No.4 by impugned order dated 23.05.2009 and now he is getting pension from MPSEB with a reduction of Rs.12,000/- per month, against which he has already made representation before respondent No.1 on 28.05.2009, which has not been considered and decided till this date, against which the instant writ petition has been filed by the petitioner.

(2) Learned counsel appearing for the respective respondents would oppose the submission made by learned counsel for the petitioner.

(3) I have heard learned counsel for the parties and perused the impugned order with utmost circumspection.

(4) After hearing learned counsel for the petitioner and taking into consideration the fact that the petitioner was working as Superintending Engineer in CSEB, he retired on 30.07.2006 and after retirement he was getting pension from CSEB, but all of a sudden after three years of retirement, his pension records have been transferred to MPSEB by respondent No.4 by impugned order dated 23.05.2009 as per his submission against his will by which he is getting less pension after deduction of Rs.12,000/- per month from MPSEB and further taking into consideration the age of the petitioner, who is aged about 70 years, it would be expedient to direct respondents No.1 & 2 to consider the representation of the petitioner in accordance with law expeditiously preferably within a period of 45 days from the date of receipt of certified copy of this order. The petitioner is at liberty to make additional representation, if any before respondent authorities in support of his case.

(5) With the aforesaid observation, the writ petition stands finally disposed of. No order as to costs.
