Order On Board

02/04/2018

This contempt petition has been filed by the petitioner alleging willful disobedience of order dated 20/11/2017 passed in WPS No.6190/2017.

2. I find that though this Court had directed to consider the case of compassionate appointment only, the petitioner in his representation, has also raised an issue of payment of Gratuity and provident fund which is subjudice before this Court. Therefore, no contempt proceedings can be initiated against the respondent. The contempt petition is, therefore, misconceived and dismissed.

3. The petitioner should claim only compassionate appointment and nothing else.
