Order On Board

31/08/2018

This application is filed for cancellation of bail granted to the respondent.

The matter arises out of Section 138 of the Negotiable Instruments Act proceedings. The respondent has already been granted bail.

Application for cancellation of bail is filed mainly on the ground that after getting bail, the respondent is not appearing before the Court below and represented mostly through his counsel, though he attended some hearing before the High Court.

Considering the nature of allegations and that there is no allegation of tampering the prosecution witnesses or in the manner protracting the proceedings, I am not inclined to interfere with the order passed in the matter of cancellation of bail.

At this stage, learned counsel for the respondent submits that the respondent had no intention to avoid the proceedings. He is being represented through his counsel. He further submits that on the next date of hearing before the Trial Court, the respondent will positively appear.

Placing on record the aforesaid statement, this petition is disposed off.
