Heard.

1. Though number of arguments are being raised before this Court to challenge institution of criminal proceedings, this Court finds that this petition is being filed at this stage when the charge sheet has already been filed before the Court and the case awaits framing of charges.
2. Therefore, in these circumstances, when the petitioners have remedy to argue against framing of charge before the Court in appropriate stage of proceedings, I am not inclined to entertain this petition. The petition is therefore dismissed, however, with liberty to raise all the grounds available under the law at the stage of framing of charge to convince the Court below

that no case is made out worth framing of charges.
