Heard.

1. This petition has been filed by the petitioner seeking a direction to
respondents to consider petitioner's claim pursuant to various
recommendations made by the Deputy Divisional Manager, Pariyojana Mandal
Kota under Chhattisgarh Van Vikas Limited.
2. Learned counsel for the petitioner would submit that earlier, services of the
petitioner were terminated which was not challenged and attained finality. It
appears that the petitioner sought to invoke compassionate ground upon

which certain recommendations were made by the Deputy Divisional Manger to the Divisional Manager. Those recommendations were made way back in the year 2012. A direction for consideration of re-appointment may be issued only towards enforcement of a subsisting right and not merely on compassionate considerations.

3. Therefore, no specific direction can be given by this Court. However, it will be open for the respondent authority to consider whether they need services of the petitioner and appointment on any compassionate basis.
4. The petition is accordingly dismissed.
