**Order On Board**

**17/05/2018**

The petitioner's grievance is that despite order passed by the Assistant Commissioner, Tribal Development, respondent No.4 is not handing over the charge.

2. State counsel would submit that respondent No.2 shall look into the matter and take necessary action as desired in administrative interest and if it is found that the orders of the higher authority have been violated without any reason, appropriate action would also be taken.

3. In view of above, I am not inclined to keep this matter pending and is accordingly disposed off with a direction to respondent No.2 to examine the matter and take appropriate remedial steps including disciplinary action in accordance with law.
