1. Submission of the learned counsel for the Petitioner is that the Respondent authorities, without cancelling the earlier tender issued a fresh tender and further since the Respondents did not return the earlier earnest money deposit, he was prevented from participating in the fresh tender.
2. The fact that a fresh notice inviting tender was issued is an indication of the fact the previous notice inviting tender, for whatever reasons, was not acted upon. So far as the refund of the earnest money deposit is concerned, learned counsel for the Respondents informs the Court, on due instructions, that the same has already been done.
3. No relief for interference is warranted in this writ petition. The same is accordingly dismissed.
