Order on Board

17/09/2018

Per Ajay Kumar Tripathi, Chief Justice

1. Heard counsel for the parties.
2. Since there is no error emerging on the face of the record which requires reconsideration or rectification in the review application, the review application is dismissed.
3. This Court cannot be unmindful of the fact that the father of the Petitioner was decategorized and he voluntarily retired in the year 2000. 18 years have gone past. The policy of compassionate appointment cannot be used for the purpose of begetting employment even otherwise to an unemployed person or dependent of the erstwhile employee. The very object and purpose would be defeated, if such indulgence is shown.
