Hon'ble Shri Justice P. Sam Koshy**Order on Board****21/08/2018**

1. The challenge in the present writ petition is to the order (Annexure P/1) dated 23.07.2018, whereby the petitioner who was working as a Supervisor in the Women and Child Welfare department has been posted from Semarsal to Baigakapa.
2. Perusal of the impugned order would reveal that the said order is nothing but a distribution of the work by the Collector so far as the officers are concerned and which is well within the domain of the Collector.
3. Moreover what also cannot be lost sight is that the distance between the two places, where the petitioner was presently working and where she has now been posted is barely 15-16 KMs, which again is too short a distance for which this Court should invoke its

extra ordinary power under writ jurisdiction to scrutinize the order of posting.

4. The writ petition being devoid of merits deserves to be and is accordingly dismissed.
5. Needless to mention that according to the petitioner, she has raised various grievances in respect of the functioning at the earlier place of posting and has made complaints in this regard to the higher authorities, the authorities are expected to look into the same and take appropriate decision on the administrative side.
