1. The challenge in the present writ petition is to the order of cancellation of contractual appointment of the petitioner vide Annexure P-2 dated 11.01.2018.
2. Counsel for the petitioner referring to the impugned order submits that the said order is stigmatic and it may come in the way of the petitioner going for some future employment elsewhere.

cancellation is in accordance with the conditions stipulated in the contract agreement itself, the said order cannot be considered to be in any manner stigmatic.
