1. The appeal is disposed off in terms of the observation given by the learned Single Judge in paragraph 20 of the impugned order, which reads as under :-

“20. In the given facts, this Court is of the opinion that, the entire matter itself can be resolved if the petitioner is directed to complete the requisite formalities required by moving an appropriate application for adjustment of leave that he has in his credit for the intervening period and also for reporting for duty at transferred place at Sukma i.e. for completion of the requisite formalities of settling of his post retiral benefits, thereafter the respondent No.2 would take a decision within a fortnight from the date the petitioner completes the formalities.

2. Learned counsel for the Appellant submits that he is willing to also now give fresh notice for VRS by paying three months salary in lieu of period of notice and the State should decide the matter by 26.10.2018.

3. The Court expects that the Respondent State authorities would be prompt in a early decision.
