Order on Board

26/11/2018

1. The challenge in the present petition is to the advertisement dated 25.06.2018, whereby the respondent No.3 had issued an advertisement for filling up of the posts of Lecturers of different subjects in the college by way of Guest Faculties.
2. On a query being put to the counsel for the petitioner, he fairly admits that the advertisement has been acted upon and appointments also have been made and the persons selected, have also assumed their duties.
3. Given the said facts that the advertisement has been acted upon and the appointments have already been made and the present petition has been filed much after the advertisement has been acted upon,

this Court is of the opinion that the writ petition in the given circumstances would not be sustainable and the same being devoid of merits stands dismissed.
