ORAL JUDGMENT (Per : R.M. Borde, J.)

1. Heard.
2. Rule. With the consent of the parties, the petition is taken up for final disposal at admission stage.
3. The applications tendered by the petitioners for issuance of the tribe certificates certifying that they belong to 'Mannervarlu' Scheduled Tribe have been turned down by the Sub-Divisional Officer by order dated 14.07.2017 and 03.08.2017. The appeals presented by the petitioners have also been rejected by the Scrutiny Committee by separate orders dated 23.03.2018. The Scrutiny Committee as well as Sub Divisional Officer have turned down the request on the ground that petitioners have failed to present documentary evidence anterior to 06.09.1950 to demonstrate that they belong to 'Mannervarlu', Scheduled Tribe. The petitioners have placed reliance on the tribe certificate issued to their father on 31.07.1987 by the Taluka Executive Magistrate, Bhokar. The tribe of the petitioners has been recorded as 'Mannervarlu' in the school record.
4. The report of the revenue authority, who has conducted the local enquiry also specifies that the petitioners, prima facie, belong to 'Mannervarlu', Scheduled

Tribe. There is also no contra evidence brought to the notice of the court. This court has, time and again, opined that the caste or tribe certificates shall have to be issued on the basis of prima facie material and no in-depth enquiry is contemplated at the stage of issuance of caste or tribe certificate. An individual is not entitled to claim the benefits on the basis of caste or tribe certificate in the matter of pursuing professional education or the service benefits or other benefits under the schemes formulated by the State Government. It is only at the stage of issuance of the validation certificate, an in-depth inquiry is contemplated. It is also not warranted for the applicant to tender the whole evidence at the stage of conduct of an inquiry relating to issuance of the tribe certificate.

5. In spite of the observations made by this court in several matters, the Scrutiny Committees as well as the Sub Divisional Officers continue to reject the claims for issuance of the caste/tribe certificate on the ground that the concerned applicants failed to establish their claim by producing old documentary record. Such an attitude on the part of the Scrutiny Committees as well as the Sub Divisional Officers amount to disregarding the directions issued by this court. The writ petition is thus, allowed. The orders

(4)

impugned in this petition passed by the Sub Divisional Officer as well as the Scrutiny Committee are quashed and set aside.

6. The Sub Divisional Officer is directed to issue the tribe certificate to the petitioners, certifying that they belong to 'Mannervarlu', Scheduled Tribe as expeditiously as possible preferably, within a period of six weeks from today.

7. It is needless to record that the tribe certificate issued to the petitioners will be subject to verification by the Competent Scrutiny Committee and the observations made in this order are only restricted to proceedings relating to issuance of tribe certificate.

8. Rule is made absolute in above terms with no order as to costs.
