

Chamber Summons No. 2057 of 2015 seeking an amendment of the plaint and that Chamber Summons was allowed without any restriction and limitation. Despite this, the Plaintiff failed to carry out the amendments as set out in the schedule to Chamber Summons No.2057 of 2015. It was for this reason that Chamber Summons No. 1583 of 2016 was taken out in which the impugned order has been passed and the Plaintiff has been directed to carry out the necessary amendments.

3 After I have heard the learned advocate for the parties at some length, both the parties have agreed before me that the amendments to the plaint could be carried out, but in terms of the schedule that has been tendered before me today and which is taken on record and marked "X" for identification.

4 In these circumstances, it is ordered that the Plaintiff shall carry out the amendment in the plaint as set out in the schedule tendered before me today within a period of two weeks from the date of a receipt of copy of this order. Barring this modification, the impugned order stands. The Writ Petition is disposed of in the aforesaid terms. There shall be no order as to costs.

5 All parties including the Trial Court are directed to act on
an authenticated copy of this order.
